# Grade 5 Newsletter

## Week 13: 23-26 Nov , 2026.

Message from the Grade 5 Team:

**ELA:** Students will start the new Text 'Fish Of The Future'. The big question we are exploring in this unit is "How are animals and plants dependent on one another?". To answer it, we are reading, writing, and talking about how living things are connected.

**Math:** Our focus next week will be to master Dividing by one and two digits. We will revisit chapter 3 and 4 before moving on to the next chapter.

**Science:** As we Continue Unit 4, "Energy and Matter in Ecosystems." This week we will complete lesson 2. Students will focus on 'competition in ecosystems' .

**REMINDERS**

**Mid Quarter break : Sunday 22nd November – No School**
**Field trip Boys – Tuesday 24th November**
**Math Chapter 3 & 4 Test : Thursday 26th November**

We will do the next cycle of MAP testing in December. This will be the Winter cycle, and this MAP testing will be graded. There will be in school practice during lab periods, but we would like the students to also practice at home.
The website prepdog.org is not available for use. Alternatively, you can use Khan Academy for NWEA Math https://www.khanacademy.org/math/mappers
The goal of the MAP testing is for students to know their individual levels in literacy and numeracy and work towards improving their levels through MAP testing and in class learning.

## English Language Arts

**Reading Selection**: Fish of the Future by Cheryl Block, page 190
**Essential Question**: How are animals and plants dependent on one another?
**Content Vocabulary**: c h l o r o p h y l l , m a g n i f y , m i c r o s c o p e , n u t r i e n t s , p h o t o s y n t h e s i s
