

AJIAL BILINGUAL SCHOOL GRADE 3 NEWSLETTER

Week 8: October 17th to 21st

Dear parents,

We hope you have settled back into regular school smoothly. We surely are!

Please remember to send at least 3 pairs of masks every day with your child! The students change masks after snack, lunch, and specials periods.

Going forward, homework will be sent through TEAMS and must be submitted there. Your child's teacher will send the expectations along with the newsletter every Sunday. Remember homework can be a blend of IXL, Raz Kids, and/or worksheets. Please make sure you send the homework by THURSDAYS 3pm.

We will have a math test on TUESDAY, OCTOBER 19TH. This will be based on Chapter 2 Data Management (everything we learned online and the review from these passed two weeks).
