## Important Information

There will be no swimming lessons until the end of the year, they will have PE lessons instead of swimming. We wanted to remind you that if your child loses their ID, it's important to get it replaced as soon as possible. The replacement fee is only 5KD, and having an ID is necessary for daily attendance tracking, library book check-out, textbook return at the end of the year, and participation in exciting field trips. Your child's official presence and safety are important to us, so please don't hesitate to have their ID replaced if needed. Thank you for your cooperation!
