Important Information

The students should have their IDs on them every time they are in school. Having an ID is necessary for daily attendance tracking, library book check-out and textbook return at the end of the year. Your child's official presence and safety are important to us, so please don't hesitate to have their ID replaced if needed. As per the school calendar, the last day for students is June 8, 2023. After the concept in the auditorium on 24 May 2023, parents & students go to their respective homerooms for class awards from the homeroom teacher.
