

AJIAL BILINGUAL SCHOOL : GRADE 4 WEEK 11

Message from Grade 4 Team...

Weekly multiplication table quizzes will be given as from week 11. Students must to memorize the multiplication tables from 1-12.

Spelling words were introduced to ELA lessons. Please practice these spelling words at home.

Make sure that all homework is completed on time. Please check for homework on MS Teams or IXL on daily basis. Any missed work such as homework, tests, classwork, projects or quizzes will result in student receiving a "0" if no valid reason is given.

Please ensure that your child comes to school on time. Students who arrive late disrupt lessons and miss valuable instruction time. Consistent lateness also affects your child's grades.

Establish healthy eating and sleeping habits. 8 hours of sleep is recommended so that your child is fresh, well rested and ready for the long day at school.
