Grade 5 Newsletter

Week 11: November 9-13, 2025

Message from the Grade 5 Team:

- **ELA:** *"Reading Week"* Each class will choose their own book selection and focus on the basic reading skills like character development, fluency, summarizing and order of events.
- **Math:** This week in our math lessons, we will continue dividing in Chapter 4, focusing on various strategies used for dividing with 2-digit whole numbers. We will also review multiplying with 2-digit numbers and mental math strategies for multiplication and division.
- **Science:** This week, we continue with Unit 3, where students will dive into how living organisms obtain and use energy, as well as how they interact within their environments. In Lesson 1, students will explore how plants primarily gather the materials they need for growth from air and water.
