

AJIAL BILINGUAL SCHOOL GRADE 5 NEWSLETTER

Dear Family,

"How can where you are change who you are?" That is the big question we are exploring in this unit. To answer it, we are reading, writing, and talking about immigration. Be a part of our exploration! With your student, read the new words on follow these directions. Directions: 1. Talk together about where your family is from and where you live now. Do you know any anecdotes, or true stories, about your family's history? Share them. Try to use some of the New Words in your discussion.

During the next few weeks, our math class will be learning about dividing three- and four-digit whole numbers. We will also learn how to interpret remainders. You can expect to see homework that provides practice with division of three- and four-digit dividends by one- and two-digit divisors.

In Science we will be discussing how, over the years, technology has revolutionized our world and daily lives. Additionally, technology has created amazing tools and resources, putting useful information at our fingertips.

Modern technology has paved the way for multi-functional devices like the smartwatch and the smartphone. Computers are increasingly faster, more portable, and higher-powered than ever before. With all of these revolutions, technology has also made our lives easier, faster, better, and more fun.
