

Grade 5 Newsletter

Week 7: October 23-27, 2022.

Message from the Grade 5 Team:

- **ELA:** *This week in English Language Arts students will be completing an autobiography. Students will be required to complete a daily assignment that is all about them. Each lesson will focus on a specific skill.*
- **Math:** *We will be busy working on our Chapter. Students will learn how to factor numbers, as well as how to use exponents. In this chapter we will also explore the Distributive Property, multiplication patterns, and we will multiply by one- and two- digit numbers.*
- **Science:** *Technology is all around us. Engineers apply their knowledge of science to design solutions to practical problems. In this lesson we will learn how technology improves our life.*
