## Rules for Online Learning

*Students are “invited”*

Students are “invited” by the teacher and only students whose parent registered them with the Ministry of Education Agreement document are included in classes.

- Students are not allowed to leave the lesson (5-minute breaks are scheduled between classes)
- Students are not allowed to mute/unmute unless teacher instructs the student - Students can be recognized by unmuting to ask a question and wait for the teacher to respond.

· Students or parents should not disrupt the lesson in any manner (Lessons are Recorded and a teacher can contact any Principal or VP to “join the lesson to observe discipline issues” after which it can be decided if a student will be removed from the class for Virtual E-Learning repeated disruptions)

## Guided Reading

Students are reading in small groups. While the teacher is working with a group, other students are working on a task on their own until it is their turn. Wait for your teacher to invite you to a small group meeting channel in MS Teams.
