Rules for Online Learning

Students are “invited”

Students are “invited” by the teacher and only students whose parent registered them with the Ministry of Education Agreement document are included in classes.

- Students are not allowed to leave the lesson (5-minute breaks are scheduled between classes)
- Students are not allowed to mute/unmute unless teacher instructs the student - Students can be recognized by unmuting to ask a question and wait for the teacher to respond.

· Students or parents should not disrupt the lesson in any manner (Lessons are Recorded and a teacher can contact any Principal or VP to “join the lesson to observe discipline issues” after which it can be decided if a student will be removed from the class for Virtual E-Learning repeated disruptions)

Guided Reading

Students are reading in small groups. While the teacher is working with a group, other students are working on a task on their own until it is their turn. Wait for your teacher to invite you to a small group meeting channel in MS Teams.
