

AJIAL BILINGUAL SCHOOL : GRADE 4 WEEK 31 NEWSLETTER

Message from the Grade 4 Team

Reading at home daily, for least 15-20 minutes is encouraged as it improves reading speed, fluency, comprehension and vocabulary skills. Results are not immediately noticed but reading consistently over a period of time will definitely yield positive results.

Since we are in the last quarter, students are encouraged to work hard all the time to get higher grades. It has been noted that some students are not taking their work seriously and this would affect their grades.
