Dear Parents,

As we approach the end of the school year, we kindly remind you that regular attendance remains very important. Teaching, learning and testing will continue as usual. Please ensure that your child comes to school everyday, well rested and ready to learn. Our behaviour and academic expectations remain the same as they were at the beginning of the year.

Dear Parents,

Please take a few short minutes to complete this Cognia survey on the Climate and Culture of Ajial Bilingual School in relation to your experience as a parent and your child's experience at the school. Your feedback is always greatly appreciated.
