

AJIAL BILINGUAL SCHOOL: GRADE 4 WEEK 20 NEWSLETTER

Message from the Grade 4 Team...

Dear Parents,

We would like to remind you that students are expected to work hard all the time. Regular teaching and learning will take place for the next couple of weeks before the mid-year break, with classwork, homework, and tests being given. Participation and grades are key components of our academic program, hence the need for regular attendance.

Please note that if students are absent without a valid medical note from a doctor, participation grades and other assessments may be affected. We encourage all students to attend school regularly to make the most of their learning opportunities.

Thank you for your cooperation and understanding.
