Grade 5 Newsletter

Week 8: October 20-24, 2024.

Message from the Grade 5 Team:

- **ELA:** *"What is the power of the sun?" That is the big question we are exploring in this unit. To answer it, we are reading, writing, and talking about solar energy. Be a part of our exploration!*
- **Math:** *We will be busy finishing our Chapter 2. We will explore the Distributive Property, multiplication patterns, and we will multiply by one- and two- digit numbers.*
- **Science:** *This week, we will begin our new unit on matter. Students will explore the different states of matter, learn how to measure it, and investigate its properties. They will also compare physical and chemical changes to better understand how matter transforms.*

Reading Week will be from Sunday, October 20th to Thursday, October 24th. On Thursday, students should dress up as their favorite book characters for the Character Dress-Up Parade!
