

AJIAL BILINGUAL SCHOOL GRADE 5 NEWSLETTER

Dear Family,

In ELA we will wrap up Unit 4 Justice. By talking about fairness and human rights. While some students are being assessed rest of the class will be brainstorming ideas for their upcoming writing project.

In Math we will review all four operations with decimals.

In Science we will continue with Unit 5 Ecosystems. In this unit students will learn how all living organisms are interdependent upon each other, as well as the nonliving factors within an ecosystem. In this unit, students will also learn about environmental problems and how these problems are impacting our world. The activities in this unit provide students with opportunities to develop skills such as observation, critical thinking, communication, and creativity. We will discuss upcoming Science projects.

Our holiday break is from December 19, 2021 -January 01, 2022. We look forward to seeing students back on, January 02, 2022.

Happy Holidays!
