HW: Every Monday via MsTeams

Good Luck

# MATH

**Mathematics – Week-7: October 13th to October 17th**

---

## **Multiplication Tables**

---

**We are working on Multiplication and Division with decimal numbers.**

**It is highly important for students to recollect the multiplication facts.**

**Memorize multiplication facts.**

*Grade-6 Math*  
*Week-7: October 13th to October 17th*

Students will continue to learn Operations with multi-digit decimal numbers. They will apply their skill in operations with decimal numbers to perimeter, area, and other real-world problems. Our focus will be on Lesson 3-2, but not limited to it.

**As the students received their textbooks, they must bring Volume-1 textbook to class. We may use it in class.**

- **HW assigned on Wednesday, due the following Wednesday.**
- **Oral assessments in class as a part of teaching and learning (formative assessments)**
- **There will be a graded class work on any day this week based on the lessons we learn this week. Daily practice of Math is necessary to do well in unannounced class-work.**
- **Materials Necessary for Class Every Day: Math Notebook, Blue/Black Pens, Sharpened Pencils, Eraser, and Ruler**
- **Practice Math daily at home and be prepared for each day's lesson.**

## Grade-6 Math

Dear Parent,

Greetings!

It has been noticed that some students are struggling to do mathematical operations as they do not know the multiplication tables. Recollecting multiplication facts quickly is highly important for your child's effective math learning, and for performing well in assessments. **Please help your child memorize multiplication tables and give your child a daily practice on this.**

**All students are expected to practice Math daily at home.**

Thank you for your cooperation in our efforts to educate your child.

Grade 6

## Week 7 -Grade 6

- **Classwork:** Landforms
- **Homework:** on teams due on Thursday
- **Quiz 2:** Landforms

## خطة الصف السادس قسم اللغة العربية
