-
- Test on Sunday March 23rd.2025 look out for the test focus in Teams. Vocab will be also in Teams.
 - HW: Every Monday via MsTeams and due the following Monday. Students must submit their HW on Teams.

Good Luck

MATH

Mathematics – Week-30: 23-March to 26-March.

Grade-6 Math

Week-30: 23-March to 26-March

Students will learn about checking if the given integer is a solution of the given equation. They are expected to know adding integers , subtracting integers, and recollect the Order of Operations they learned in Semester-1.

Assessments This Week:

- Quiz on evaluating algebraic expressions with addition and subtraction of Integers on Wednesday, 26th of March.
- Students will write an unannounced CW on any day this week (evaluating numerical expressions involving addition and subtraction of integers).

All pending HW-1 of Quarter-4 is due on 26th of March.

Oral assessments will happen in class as part of teaching and learning (formative assessments).

- **Materials Necessary for Class Every Day: Math Notebook, Blue/Black Pens, Sharpened Pencils, Eraser, and Ruler**
- Practice Math daily at home and be prepared for each day's lesson.

Grade-6 Math

Dear Parent,

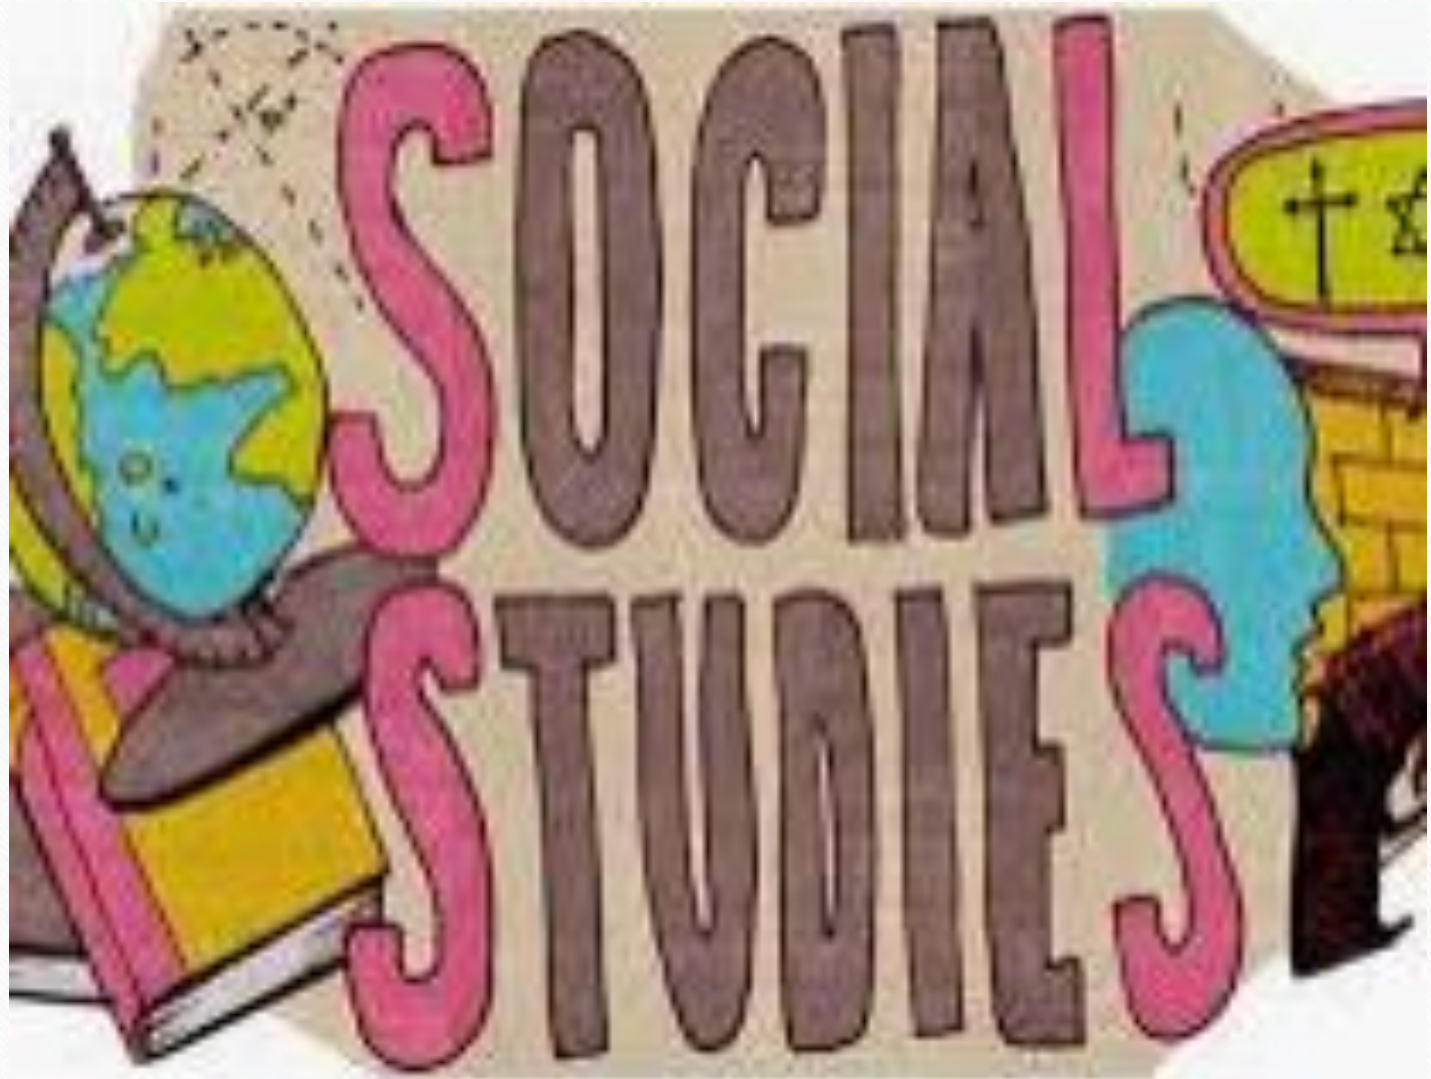

Greetings!

It has been noticed that some students are struggling to do mathematical operations as they do not know the multiplication tables. Recollecting multiplication facts quickly is highly important for your child's effective math learning, and for performing well in assessments. Please help your child memorize multiplication tables and give your child a daily practice on this.

All students are expected to practice Math daily at home.

Thank you for your cooperation in our efforts to educate your child.

Grade 6

Week 30 -Grade 6

- **Classwork:** 3.3 Natural Environment (CW1)
- **Homework:** on teams due on Thursday
