Good Luck

MATH

Mathematics – Week-32: 06-April to 10-April.

Grade-6 Math
Week-32: 06-April to 10-April

Students will learn about Coordinate Planes. They will learn related vocabulary, finding coordinates of points, and graphing points. They will also learn about the rules for multiplying and dividing integers.

Assessments This Week:

- Quiz on evaluating algebraic expressions with addition and subtraction of Integers on Monday, 7th of April.
 - They will also write an unannounced CW (graphing points on a Coordinate-Plane) on any day this week.
- HW-2 of Quarter-4 is due on Wednesday, 09-April-2025
- Oral assessments will happen in class as part of teaching and learning (formative assessments).
- **Materials Necessary for Class Every Day: Math Notebook, Blue/Black Pens, Sharpened Pencils, Eraser, and Ruler**
 - Practice Math daily at home and be prepared for each day's lesson.

Grade-6 Math

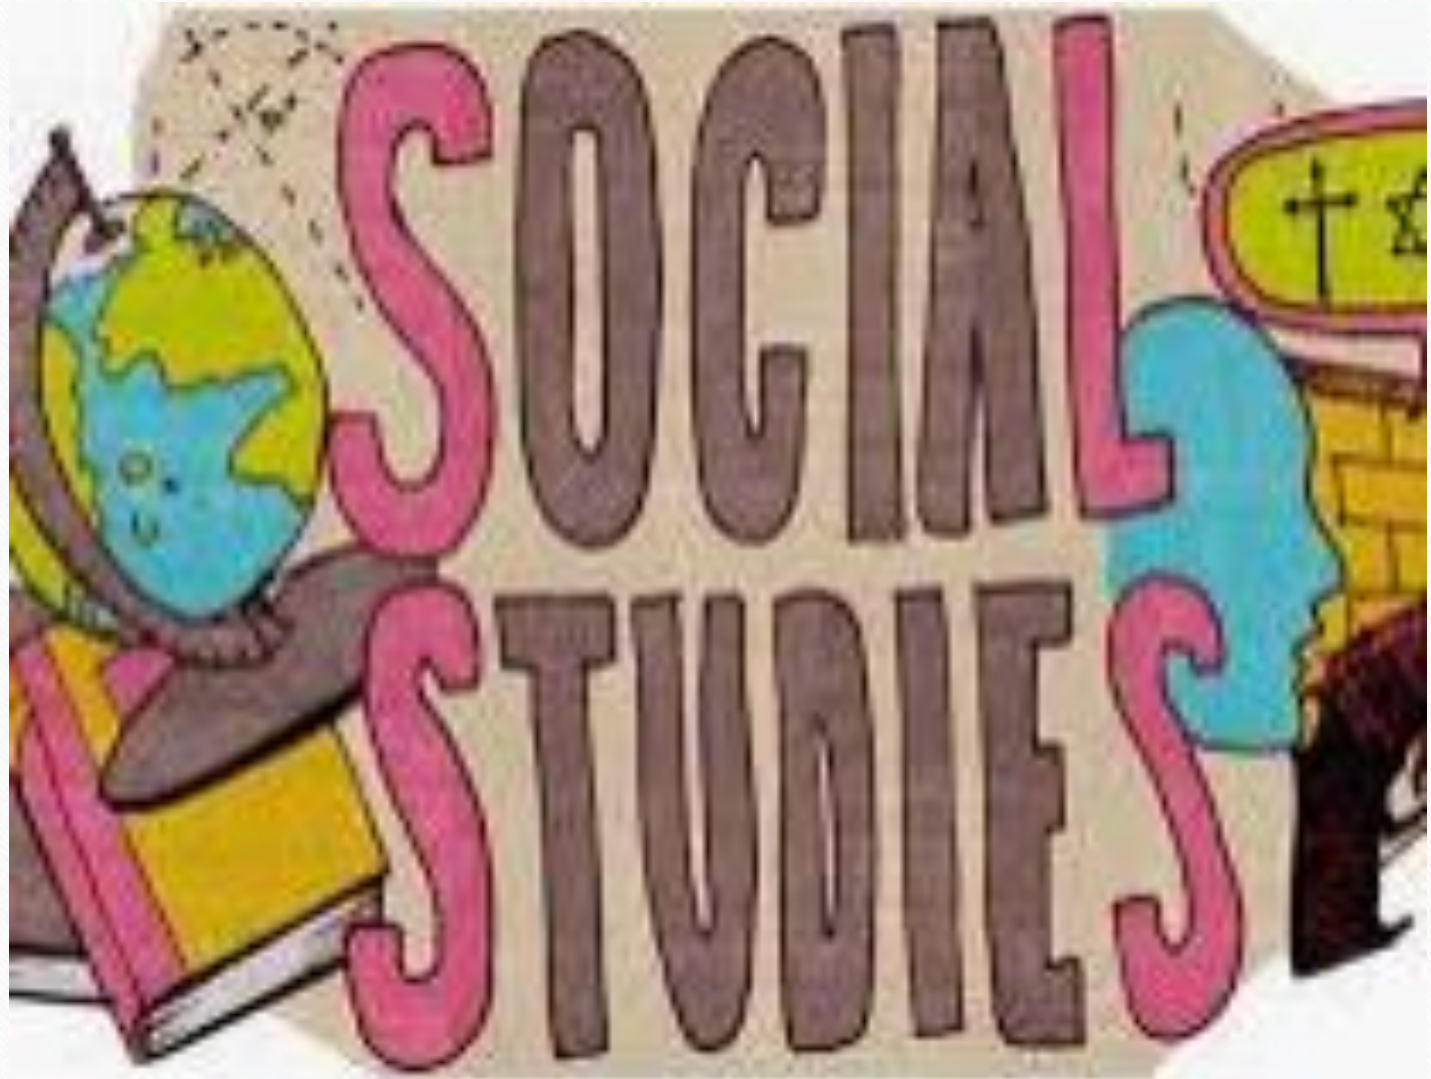

Dear Parent,
Greetings!

It has been noticed that some students are struggling to do mathematical operations as they do not know the multiplication tables. Recollecting multiplication facts quickly is highly important for your child's effective math learning, and for performing well in assessments. Please help your child memorize multiplication tables and give your child a daily practice on this.

All students are expected to practice Math daily at home.

Thank you for your cooperation in our efforts to educate your child.

Grade 6

Week 32 -Grade 6

- **Classwork:** 3.4 Natural Resources(CW2)
- **Homework:** on teams due on Thursday
