- HW: Every Monday via MsTeams and due the following Monday. Students must submit their HW on Teams.

Good Luck

MATH

Mathematics – Week-35: 27-April to 01-May.

Grade-6 Math
Week-35: 27-April to 01-May

Students will learn solving one step addition and subtraction equations; they will also learn to check their solutions. Additionally, they will learn how to calculate the mean, and how to find the mode of a given set of data.

Assessments This Week:

- **QUIZ** on Tuesday, 29th of April. This quiz will contain questions of the following concepts:

Finding the location of a point on the coordinate plane

Solving one-step equations with inverse operations of addition and subtraction.

Vocabulary: variable, equation, solve, solution, LHS, RHS, inverse operations, undo, balance of an equation, and balanced equation, addition property of equality, subtraction property of equality

- HW-5 of Quarter-4 is due on Wednesday, 30-April-2025

Oral assessments will happen in class as part of teaching and learning (formative assessments).

- **Materials Necessary for Class Every Day: Math Notebook, Blue/Black Pens, Sharpened Pencils, Eraser, and Ruler**

- Practice Math daily at home and be prepared for each day's lesson.

Grade-6 Math

Dear Parent,

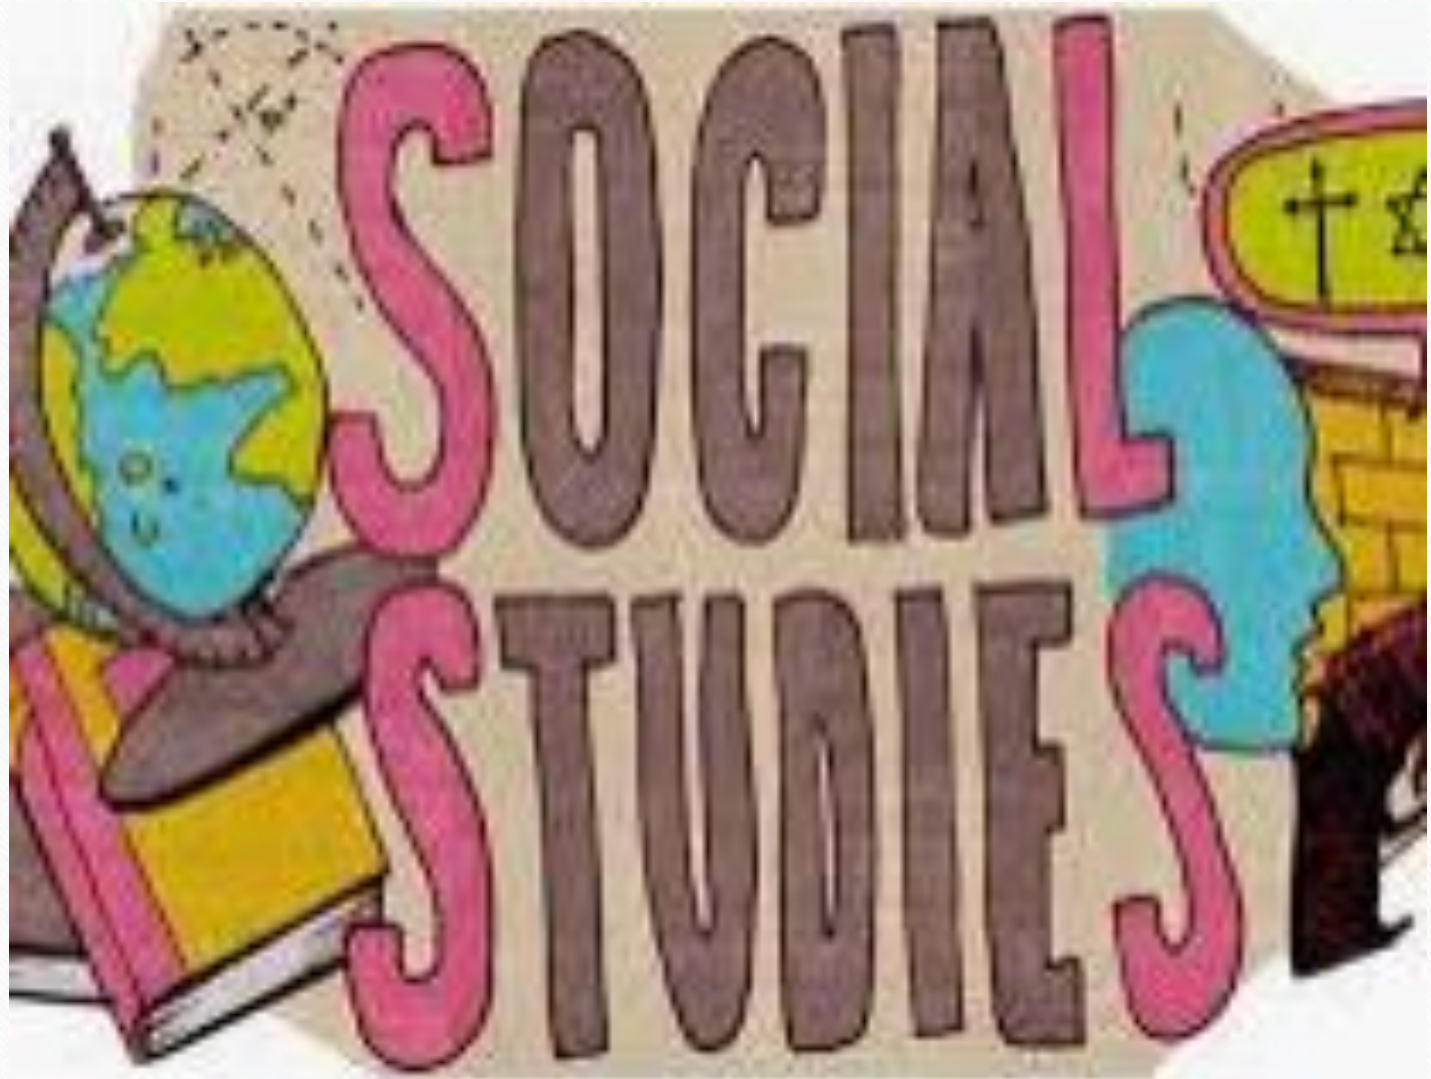

Greetings!

It has been noticed that some students are struggling to do mathematical operations as they do not know the multiplication tables. Recollecting multiplication facts quickly is highly important for your child's effective math learning, and for performing well in assessments. Please help your child memorize multiplication tables and give your child a daily practice on this.

All students are expected to practice Math daily at home.

Thank you for your cooperation in our efforts to educate your child.

Grade 6

Week 35 -Grade 6

- **Classwork:** 4.1 Culture (CW)
- **Homework:** on teams due on Thursday
- **Quiz:** 4.1 Culture 6A/B on Wednesday 30/4, 6E Tuesday 29/4, 6D Thursday 1/05
