MATH

Mathematics – Week-11: November 10th to November 14th

Grade-6 Math
Week-11 November 10th to November 14th

Multiplication Tables

We are working on Multiplication and Division with decimal numbers.

It is highly important for students to recollect the multiplication facts.

Memorize multiplication facts.

Please note that ALL homework will be assigned on MS Teams as assignments.

Grade-6 Math

Week-11 November 10th to November 14th

Students will learn division by a fraction. They should know multiplying by a fraction which they learned in elementary school. They will solve word problems using division by a fraction.

Assessments This Week:

- Students will do a class-work any day this week. Practicing math daily at home is necessary to do well in any assessment.
- The second quiz of quarter-2 will be on Wednesday, the 13th of November.
- HW assigned on Wednesday, due the following Wednesday.
- Oral assessments in class as a part of teaching and learning (formative assessments).
- **Materials Necessary for Class Every Day: Math Notebook, Blue/Black Pens, Sharpened Pencils, Eraser, and Ruler**
- Practice Math daily at home and be prepared for each day's lesson.

Grade-6 Math

Dear Parent,

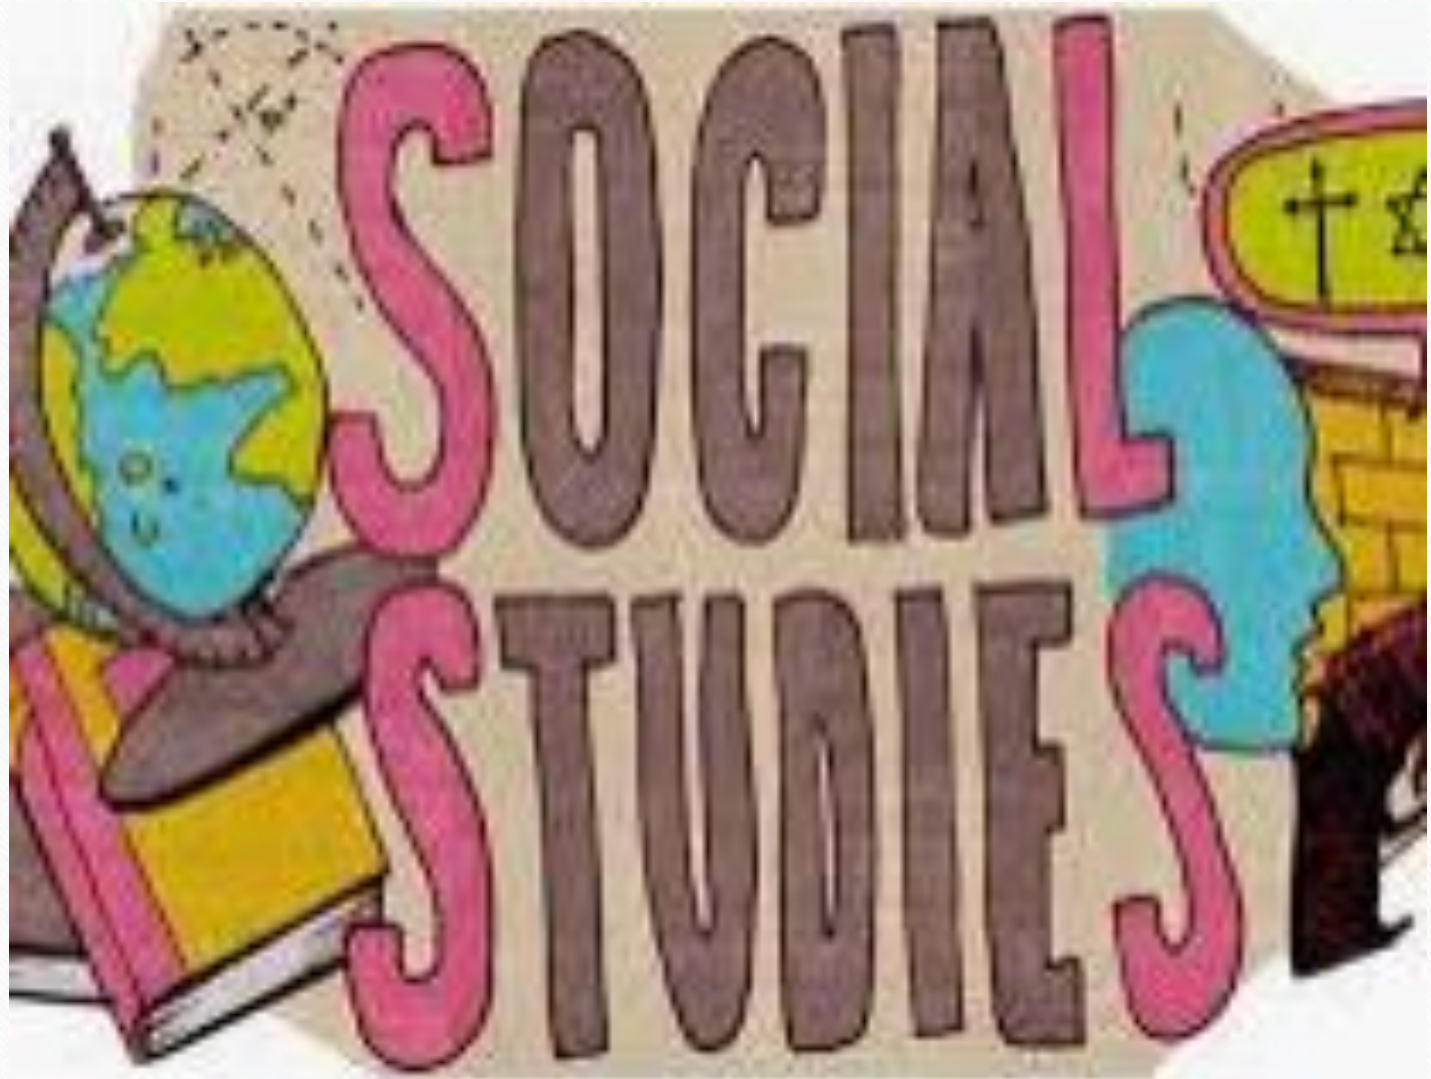

Greetings!

It has been noticed that some students are struggling to do mathematical operations as they do not know the multiplication tables. Recollecting multiplication facts quickly is highly important for your child's effective math learning, and for performing well in assessments. Please help your child memorize multiplication tables and give your child a daily practice on this.

All students are expected to practice Math daily at home.

Thank you for your cooperation in our efforts to educate your child.

Grade 6

Week 11 -Grade 6

- **Classwork:** The Five Elements of Geography
- **Quiz 1:** The Five Elements of Geography
- **Homework:** on teams due on Thursday
